## **Track Location:**

The RC track is based at the far end of the karting site. Follow the road through the car park, to the left of the car park, then the track is up on the hill on the right hand side

## **Site Contacts:**

- Paul Ainscow 07860 851 698
- Dave Dunn 07833 444 084
- Matthew Gill 07568 186 540

## **Site Access Times:**

You can access the site from 0645am. You may arrive from 2pm on Friday if staying over, and may stay until Monday morning if needed

## **Camping / Caravans / Motorhomes:**

There is plenty space for camping and caravans. Power is available for those staying over night at £15 per tent / caravan / motorhome, or you can bring your own generators

## **Lipo Charging:**

Power is available around the track at £2.50 per racer, per day. Please note that this is for lipo charging only. Anyone who wishes to use power for other things will be charged the full £15 per that those powering motorhomes would pay

## **Tyres:**

The suggested tyre for buggy rear axles is the Schumacher Mezzo Yellow / Silver. Front axles are suggested at Schumacher Low Profile cut stagger in 2wd and Schumacher Mezzo on 4wd

## **Car Parking:**

We have space for well over 150 vehicles to park. A club rep will direct you on arrival, so parking is in a safe order should we need to bring in emergency services etc

## **Hotels:**

There are a lot of hotels nearby, Premier Inn / Travelodge etc. We do have a corporate deal with the Highfield Hotel which has a bar and thai restaurant on site. <https://highfieldhoteldurham.co.uk/>

If you drop the club a message on facebook we will give you a discount code to use for 15% off
